

Calling all budding artists.

Would you like your art seen and appreciated by everyone at school for years to come?

Well now is your chance.

We want to paint a mural on the bird hide that represents our commitment to being an environmental school. Your design can be as colourful and creative as you want, but we would like it to include flowers and animals.

The winning design will be painted by a team of artists in the summer term and will be up for years to come for everyone to enjoy.

We are asking for a minimum **£1** donation per entry, you can also enter as many times as you want. Your donations will help pay for the paint and brushes, not only for painting the winning mural but also for painting the rest of our new eco garden.

All entries must be on an **A4** piece of paper and include your name and class on the back. The closing date for the competition is **Friday 20th April**. The Eco council will select the finalists and the winner will be voted for by the whole school.

Good luck with your designing.

Miss Maloney and Mr Tunnicliffe
