Dear parents/carers,

Following an extremely successful visit to the school in February where he conducted SPAG workshops, we have asked Sir Linkalot (Andy Salmon) from Thinkalink back next Wednesday May 2nd to conduct a day of Maths workshops.

To remind you what it's all about, please click on the following 3 minute clip of 10 adorable children who could do with a boost when it comes to spelling which perfectly illustrates how children engage with *Sir Linkalot* and how brilliant *linking* is for their self-esteem...[Sir Linkalot @ Cranleigh Prep](#)

Here are two more clips..... [BBC News South East](#) [What the public think](#)

You are invited to watch your child's whole year presentation so you can pick up some extremely handy and innovative tips and tricks which you'll be able to implement at home.

Timings: 9.00/10.00 Year 3 10.00/11.00 Year 5 11.15/12.15 Year 4 2.00/3.00 Year 6

N.B There will also be a 30 minute parents presentation at 3.15 for those that can't make their child's workshop during the day (all children welcome).

He has presented at 350 schools to 125,000 children from Reception to Sixth Form and 15,000 teachers. The Dyslexia Association thinks his spelling technique '*Letter Linking*' is groundbreaking.

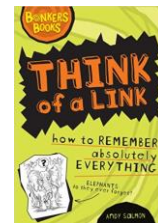

Andy has two books on the market which you can purchase from him on the day.

As you can see from the clips, Sir Linkalot is a one-off, high octane individual who certainly engages the audience. If you can make it then you are in for a treat.

We hope to see you there.

Regards

Mrs D'Netto & Mrs Arrarte
