Parents in Partnership

5th January 2018

Dear Parent/Carer,

RE: Parents in Partnership

Parent support groups start on Tuesday the 9th January. Our first session is on Maths homework. During this session you will learn:

- more about Mathletics and
- how you can sign up and get information about how your child is doing with this new online programme.

Sessions will take place at **9:05 in the lower school hall** where refreshments will be available; followed by a practical session in the ICT suite.

Following this session, you will have the wonderful opportunity to meet Father Nature, Mr Crispin, who is working with us to develop our school playground. He will be sharing his plans and will be available after for refreshments and an informal chat about his work.

We once again wish to thank you for your continued support, at this exciting time, as we strive to build links with yourselves and the community to enrich and enhance our children's learning.

We look forward to seeing you all next week.

Kind regards,

Mrs Arrarte
Assistant Head teacher

Headteacher: Mrs C D'Netto
